WITH LIST OF OFFICERS, BRANCHES, PUBLICATIONS AND  
MEMBERS FOR THE YEAR 1925-6

---

JULY & OCTOBER

1925

NUMBERS 27, 28

---

**¶ Subscriptions for 1925-6 (7s. 6d.), due on October 1st, 1925, should be sent by all members, except those in the United States of America, to the Hon. Treasurer, L. C. Martin, Esq., The University, Liverpool. Orders may also be sent for the current Bibliography of English Language and Literature (3s. 3d.) and the Modern Language Review for 1925 (15s.).**

**THE PRESIDENT-ELECT**

We have great pleasure in announcing that M. Émile Legouis, Professor of English Literature in the Faculty of Letters, University of Paris, has accepted the office of President for the academic year 1925-6. M. Legouis is one of the oldest members of our Association, and in the year of M. Lanson's presidency (1920) did us the honour of taking the chair at a well-attended meeting at the Sorbonne. The Annual Meeting, at which the President will deliver his address in person, will be held at the College of Preceptors, Bloomsbury Sq., London, W.C., on Thursday, November 5th, at 5.30 p.m. The title of the Presidential Address will be "A short parallel between French and English versification." Announcements of the meeting will be sent to all members in the London area, and admission is free, without ticket, to members of the Association and their friends. We hope for the largest attendance yet witnessed at an Annual Meeting.

**THE HON. TREASURER**

We regret that Professor Allen Mawer, after three years' work as Hon. Treasurer of the Association, finds himself unable, through great pressure of other work, to continue in this office. The Committee, at its last meeting, passed a cordial vote of thanks to Professor Mawer for his help at a critical period in the Association's finances, and this we are sure that every member will echo.

**M.H.R.A.**

**I**

Mr L. C. Martin, Senior Lecturer in English Literature in the University of Liverpool, has kindly come forward, and been unanimously elected, as our new Hon. Treasurer. The address of the Treasurer's office will therefore be the same as heretofore.

### BIBLIOGRAPHY OF ENGLISH LANGUAGE AND LITERATURE

The fifth annual *Bibliography of English Language and Literature* should be published at about the same time as this issue of the *Bulletin* is in our readers' hands. It may be obtained by non-members, through any bookseller, for 6s.; by members, from the Hon. Treasurer only, at 3s. 3d., post free. Permanent orders, enabling us to send issues to subscribers immediately upon publication, are particularly desired.

Members will be well advised to purchase their copies of the *Bibliography* early, for, now that it is becoming well known, there is always a risk of a particular issue running quickly out of print. Of back numbers, the Bibliographies for 1921 and 1922 are entirely sold out, and the stock of the 1923 issue is growing small.

### NOTES AND NEWS

The Committees appointed at the meeting of American members of the M.H.R.A., and referred to in our last number, have been constituted as follows:

#### COMMITTEE ON NEXT YEAR'S MEETING:

Prof. T. A. JENKINS, *Chairman*, University of Chicago, Chicago, Ill.; Prof. LOUISE POUND, University of Nebraska, Lincoln, Neb.; Prof. A. H. NASON, New York University, New York City.

#### COMMITTEE ON PERMANENT FUND:

Prof. J. M. MANLY, *Chairman*, University of Chicago, Chicago, Ill.; Prof. F. N. SCOTT, University of Michigan, Ann Arbor, Mich.; Prof. W. G. HOWARD, Harvard University, Cambridge, Mass.

\* \*

At the beginning of July, a copy of Professor J. G. Robertson's Presidential Address, entitled *The Reconciliation of Classic and Romantic*, was sent, according to our custom, to every member of the Association. The address has now been published in pamphlet form, at 1s. net, by Messrs Bowes and Bowes, and additional copies may be obtained through any bookseller.

\* \*

The Hon. Treasurer acknowledges with many thanks the undermentioned contributions to the Capital Fund of the Association:

Prof. P. G. C. Campbell, £1; Prof. W. S. Mackie, 4s. 3d.; H. Fleming, Esq., 2s. 6d.; H. H. Peach, Esq., 2s. 6d.; Prof. W. L. Renwick, 2s. 6d. Total £1. 11s. 9d.

\* \*

We desire once more to draw our readers' attention to the publication of the first volume of our new Research Series. This is a collection of letters of Mme de la Fayette and Gilles Ménage, edited by Dr H. Ashton, of the University of British Columbia, whose recent volume on Mme de la Fayette will be in the recollection of many. The price of the volume is 10s. 6d. to non-members, through any bookseller; to members, 6s. 6d., postage 6d. extra, from the publishers, the University Press of Liverpool, Ltd.

\* \* \*

The names of a number of members elected during the last quarter have been incorporated in the general list which is being published in this *Bulletin*.

\* \* \*

We record with much regret the resignation of our London Branch Secretary, Miss M. E. Seaton, upon her removal to Oxford, and that of Miss Seaton and Mr B. W. Downs from the Committee on completion of their statutory term of service. To fill those places on the Committee, Miss J. P. Strachey (Principal of Newnham College and an original member of the Association) and Miss Margaret Ashdown, of Westfield College, London, have been elected.

It hopes by so doing to aid some who for financial reasons would otherwise be unable to publish the results of their researches: it will be prepared to consider suggestions from members who are willing to contribute a part of the cost as well as from those who are unable to do so.

The following conditions have been drawn up and may be modified from time to time by the Committee.

(1) A preliminary letter must be in every case sent to the Hon. Secretary describing the nature and length of the work in question and enclosing a statement from at least one person acquainted with it as to its scholarly character. No manuscript is to be sent until definite instructions to that effect are given.

(2) The work submitted may be written in any language, and no condition as to its nature is laid down other than that it should come within the aim and scope of the Association.

(3) Only applications from members of the Modern Humanities Research Association will be considered.

(4) All applications will be submitted to the Publications Sub-Committee of the Association.

(5) Such manuscripts as it asks for will be judged by a small committee of experts appointed by the Association.
